

# Basel Computational Biology Conference: From Information to Simulation. 18.–19. March 04

On March 18<sup>th</sup> and 19<sup>th</sup>, 2004 the second Basel Computational Biology Conference titled “**From Information to Simulation**” will be held at the Biozentrum of the University Basel, Switzerland. For details please visit our website:

[www.bc2.ch](http://www.bc2.ch)

Keynote Speaker:  
**Peter Hunter**, Auckland University, New Zealand  
Invited speakers include:  
**Amos Bairoch**, Swiss Institute of Bioinformatics  
**Alessandro Curioni**, IBM  
**Frank Desiere**, Nestlé  
**Joseph Gut**, Therastrat  
**John Helfrich**, Nugenesis

**Gabriel Helmlinger**, Novartis  
**Jürgen Klenk**, Definiens  
**Erik van Nimwegen**, Biozentrum University Basel  
**Denis Noble**, University Oxford, UK  
**Edward Oakeley**, Friedrich Miescher Institute  
**Othmar Pfannes**, Genedata  
**Guido Steiner**, Roche  
**Eric Vangrevelinghe**, Novartis

Program committee:  
**Torsten Schwede**, Biozentrum University Basel & Swiss Institute of Bioinformatics  
**Manuel Peitsch**, Novartis

Organizing committee:  
**Roger Jenni**, Biozentrum University Basel  
**Janet Scott**, Ajilon
